

Capri cork

cork. recycled rubber. rubber-cork.

To Whom It May Concern:

Capri Cork is pleased to announce our endorsement of the Schutz NA (North America) Family of Polyurethane High Performance Floor Finish Products.

The Schutz NA Polyurethane Floor Finishes have been approved by Capri Cork as the preferred high traffic floor finish.

Schutz NA offers 2 different finishes WaxNoMor and MarkNoMor. WaxNoMor is available in Matte, Satin, and Gloss, with a SlipNoMor additive that can easily take the existing floor's surface to a High Traction ADA compliant rating for slip resistance. MarkNoMor Provides exceptional stain resistance in addition to wear resistance making it ideal for auto showrooms, hair salons, institutional, educational, and healthcare environments that are challenged with staining and discoloration issues.

Detailed product information for all Schutz NA products are available online at www.capricork.com and www.schutzna.com . For specific guidance or assistance, call 800.492.2613 for Capri cork products and for other products call (877) 272-4889.

Sincerely,

David Cipalla
President
